When submitting your sample, all applicable sections on the work request form must be filled out. Incomplete or missing information may delay the processing of your test request.

The required forms are available at our drop-off location or on our website at <https://dellavallelab.com/work-request-forms>.

For questions or concerns, please reach out to Chad Reenders at (559) 922-9299, or call our office at (559) 584-8322.

Thank you for choosing Dellavalle Laboratory, Inc. We sincerely appreciate your business and look forward to continuing to support all your testing needs.

Sincerely,

Chad Reenders  
Consultant - CCA# 664847
